Stick the Pig Fundraiser Game!

To play this game, the SCI Chapter needs to have a 3-D archery animal. This could be a pig, deer, etc. A knife, with attached raffle ticket, is inserted into the form and attendees can pick which knife at random that they would like. The raffle ticket is retained and is later drawn for a bigger prize. The attendee keeps the knife so everyone walks away with something!

Recently, Veronica Kosich (past Sables president), formed a social group for SCI women. It is appropriately called "Women of SCI". Its' sole purpose is for fun, and for the ladies of SCI to have the opportunity of getting to know one another better and "making connections".

Sandra Sadler, YO Ranch Headquarters owner, is graciously hosting their next event, from April 11 - 15.
