

**Come meet Justice Sanders at our Annual Meeting**  
By Mark Pidgeon, Governmental Affairs Chairman

Justice Sanders is up for re-election this fall. He has been a consistent friend of the gun-owner, sportsman, and property owner throughout his career. I doubt you can find a stronger supporter of individual rights at any level of judicial position. He has been a stalwart for individual freedom. The anti's have always targeted him, but because of the Sieyes Ruling he will even be an even bigger target. The Washington State Supreme Court has struck down the City of Seattle's gun ban as unconstitutional. This ruling is monumental in importance. We need Justice Sanders on the bench for four more years.

This does not in anyway construe that this is a SCI – Northwest Chapter or SCI endorsement of Justice Sanders. This is my personal opinion and the opinion of many gun writers across the state.
