**We promote the freedom to hunt and wildlife conservation worldwide. We do this through quarterly newsletters, meetings with programs of interest, conservation, humanitarian projects, hunter education programs, education programs, family events, and an annual fund raising banquet. We are successful in these endeavors because we are an active club with active members. As a member of the Northwest Chapter, I am willing to help in the following areas.**

**By joining a Safari Club International Chapter...**

- You connect to a local network of like-minded individuals who share the common goal of protecting the freedom to hunt and promoting wildlife conservation.
- You make a difference by getting involved in education, conservation, and humanitarian projects.
- You give back to your community, because funds raised by your chapter stay at the local level.
